

BAD DREAMS ARE SYMPTOMS

III Health the Cause—Many Alarming Symptoms of Women's Ailments—How Cured.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me feel happy and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the aforesaid ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles."—Mrs. ELLEN J. VANDER SANDE, 7 Godwin Street, Paterson, N. J.

The falling of the names resulted from a disagreement over party organization. Had long been the subject of much discussion, a final decision had not been reached before it started. Now where these differences could be resolved, it was greatly anticipated that the delegation would vote in a solid majority, and it has made this interesting that it might take another hour or two to settle the whole 46 delegations of voters and guests of all delegations. The house was crowded to容 and was supporting its cause. Another vote may be taken, however, to patch up trouble and bring about a unanimous adjournment of the session, during which the making of the
